THE TONI ATKINS LESBIAN HEALTH FUND

The Toni Atkins Lesbian Health Fund was established by the Imperial Court de San Diego in conjunction with The San Diego Lesbian, Gay, Bisexual, Transgender Community Center.

Named in honor of then-San Diego City Councilmember Toni Atkins, the Fund assists low income lesbian and bisexual women in need of medical treatment, referrals, support, education, advocacy and guidance through the healthcare system.

California Assemblymember Toni Atkins has been active in both the LGBT and women's communities since 1987, when she joined the staff of Womancare Health Center in Hillcrest.

As Director of Clinic Services, she helped expand clinic services by acquiring the Los Angeles Feminist Women's Health Center and opening Womancare South Clinic in San Diego's South Bay. Toni worked with The Center's Lesbian Health Project to implement the first Lesbian Health Fair in 1991 as part of the LGBT Pride Festival.

Toni has served as president of the Coalition for Reproductive Choice, co-chair of The Center's Lesbian Health Project, and on the Womancare board of directors. She was recognized in 1997 as San Diego Pride's "Woman of the Year."
